Follow your dreams for they will always lead you in the right direction ahead of you!

Congratulations on your Promotion !

Field Day

Career Day

On Friday, May 8,2015 , Olympia Heights had its annual Career/Health Fair event. A number of presenters from the business community visited the school and shared their knowledge and expertise with our students. This was a valuable experience for our students since it provided them with the opportunity to explore different careers in our community and develop an appreciation for the occupations that interest them.

By Mrs. Yolanda Sánchez
Counselor

USCF 2015 National Elementary Championship Awards. Congratulations to Adrian Sans, Anaitz Larrazabal and Raymond Morales.

2015-2020-Strategic Plan Development – Join Us **May 7,2015 Time: 6:00 -7:30 pm** at **Coral Reef Senior High School - 10101 SW 152 Street. Miami, FL 33157**

We have many teachers in our lifetime, and all of them have their special place in our lives and in our hearts, however here always steps forward one teacher who is special , who so imprints himself or herself on our minds and hearts that we cannot forget, that we relegate to a very special place in our hearts to be honored and cherished as long as we live, each of us, I feel, has that special person who was a teacher... And more.

As Frank Siccone said "THE VERY INTENTION TO TEACH IS AN ACT OF LOVE"

With this, on behalf of the students, their parents and our community, I would like to congratulate all of our teachers on Teacher Appreciation week and I thank you from the bottom of my heart for all you do for our students at OLYMPIA HEIGHTS ELEMENTARY.
